

2009

a division of Agri-Education, Inc.

is conferred upon

Mallories Dairy, Inc.

of Silverton, Oregon

Mallories Dairy, Inc. has voluntarily participated in the Dairy Quality Center's verification/education program. This operation is implementing appropriate management procedures to enhance environmental sustainability, promote animal well being, and respect employee/family member relations. In addition, quality milk and dairy beef are marketed, and efforts are undertaken to reduce harmful pathogens at the dairy. This designation is in effect for one year.
